Why Intern at Coveo?

Interning at Coveo is an opportunity to be part of a passionate and talented team working with bleeding edge technology. You will be entrusted with the development of projects worthy of your aspirations and ambitions and you will be supervised by a coach who will share with you a wealth of knowledge that can only be taught in a workplace. Your mentor will be there not only to develop your global comprehension of our business but also will help your personal development. At COVEO managers are leaders and their mission is to develop every single member of their team at the maximum level. Of course, you will also be invited to participate in all company activities such as happy hours, lunch and learns and hackathons! Even if we are all working remote we find ways to be together

Do You Have What It Takes?

You are a complete tech addict and you love solving complex puzzles and problems. You participated in programming activities in the past years and you have a head full of ideas. You are looking for an internship where you will learn a TON and significantly progress your skills in writing impeccable code, testing your code and using the most modern best practices. If you just recognized yourself, you're probably the player we're looking for! You will be implicated at any level of the projects from design to development and from integration to testing level.

Here are a few examples of tasks that you will perform:

▸ Web and mobile user interface development and integration (HTML5, CSS3, JavaScript, TypeScript)

▸ Development of data extraction modules (C#, Python)

▸ Reproduction, diagnosis, documentation, and problem solving reported by the customer service team

Ready for the Major Leagues?!

You've been practicing for months? It is now time to join a completely awesome development team and put your talent to work. In collaboration with your personal mentor and your assigned team, you will be able to perfect the art of created structured and clean code that scales through trial and error, research and a lot of practice. If you love diversity and you are excited about working in a state-of-art environment, you're in the right place.

Hurry up! Send us your résumé and most recent transcript to apply!

What is Coveo? ⌄

What is it like to work at Coveo? ⌃

If it were easy, someone else would have done it. All of our colleagues at Coveo find the drive to continuously seek new challenges and test roads no one else has ever explored. This ethos has allowed us to become a world leader in an innovative industry and to create a collaborative, diverse and trusting place to work filled with amazingly talented and passionate people. This is also why Coveo was named Employer of the year AND Company of the year 2019 by the Quebec Chamber of Commerce!
